

A Year in Perspective 2018

EVANGELISM, PRISON AND HOSPITAL MINISTRIES AND OUR CHURCH OPEN DOOR SOUTH

In 2018, Grace and Peace led 396 people to the Lord through our programs, street evangelism and our church, Open Door South. When we walk through the streets in the poor neighborhoods, it becomes a social event for the Dominicans as we approach them and ask if we can visit with them. Grace and Peace believes in relational evangelism. We want to develop a relationship with each one that accepts the Lord. We also go into the local prison and hospital to spread the Gospel. When we go in, we always take some sort of gift as a way to open up the conversation. Sometimes it's food, sometimes it's toothbrushes and toothpaste. Those we minister to have pretty much nothing. Their goal each day is to eat. They will spend a lot of their day trying to figure that out. Even in the hospital, nothing is provided for them even if they become a patient. They must bring their own bedding, food and buy their own medicines once diagnosed even if they are staying in the hospital. A bowl of soup sometimes is all they may eat for that day. At our church, Open Door South, they also did street evangelism, leading 49 people to the Lord. Ten of these new Christians are

now regularly attending services there.

THE WIDOW PROGRAM

In 2018 the Widow Program had so many blessings! Aola and Magdalena, both whom we thought were Christians, officially gave their hearts to the Lord after we felt an urgency to go and visit with them. Victoria, the mother of one of the most murderous thugs in our town who accepted the Lord while in prison (Victor), received a new roof and kitchen, both of which were rat infested. Victoria said she has the peace of the Lord as she walks with Christ. She told us she rededicated her life to the Lord through our program. She also takes her sister with her, in hopes that she will accept the Lord. Carmelita Morla was very sick with Amoebas a few months ago. Grace and Peace was able to get her the medical care she needed. Had she gone on much longer, she would have died. Elva Esperanza was attending a widow Bible study regularly but when asked if she wanted to accept the Lord, she would always say, "No." Several of us began to pray for her regularly, for the Lord to soften her heart. Then she fell in January, was hospitalized and Keila's mother, Ofelia, led her to the Lord as she visited her in the hospital. Five months later, Elva passed away. It is our primary goal that every widow, when they pass away, know the Lord as their savior. To date, we are grateful to report that every one since the start of this program 18

A Year in Perspective 2018

years ago, was saved. Elupita Feliz was homeless. She was praying for help. She barely had food. All she kept saying was how much she was suffering before she found our widow program. Not only did the Lord provide her with food, He also opened up one of our houses. God answered ALL of her prayers. Margarita Garcia, when she came into the program, was sleeping on the floor. Grace and Peace remedied that quickly with a new bed. We also bought her a new cooktop stove. What a blessing and privilege it is for Bill and I, along with our Grace and Peace family, to be able to provide a house, a bed or a new roof for widows that were being rained on for years before coming into the program. They are also plugged into a good church that commits to helping them in any way they can because Grace and Peace has amazing supporters who make a way to help our widows when they are destitute. Most importantly is that they hear the Gospel and have made a commitment to the Lord before they pass. In 2018, we cared for 97 widows.

THE CHILDREN'S PROGRAM

Grace and Peace ministers to 300 children every Saturday and Sunday in 6 different programs. We've been ministering to children since 2000. They are taught the Word of God and given eggs to help meet their protein needs. In one of our programs, 5 children who have been in the program since they were little are now faithfully attending church and are involved in leadership. We are beginning to see a lot of fruit. One of those children would have regular convulsions and fevers. He was prayed over many times and the Lord healed him. In another program, 2 young men also grew up in our program and are now involved in leadership. More fruit, what a blessing! The cost to help a child is \$5 a month. You can sponsor 5 children for as little as \$25 a month or 10 children for \$50 a month.

Left to Right: Eric, Ketty, Aneal, Katty and Daniel
Ketty and Katty are twins

Grace and Peace Children's Program saw 47 children give their heart to the Lord.

LOVE UNITED

Grace and Peace helped 5 couples get legally married this year. One of those couples lived together for 31 years and had 5 children. It's a blessing to hear them say they wanted to get married so the Lord would bless them.

MEDICAL MISSIONS

We hosted 6 medical teams in 2018. They treated close to 2,000 people, giving them a free check-up and free medicines. Eighty-four of our 396 salvations accepted the Lord through one of our Medical Mission Clinics.

December 10, 2018

Dear Grace and Peace Family,

Enclosed is our latest newsletter outlining the work that was accomplished in the Dominican Republic in 2018. Each year, we generally see between 200 and 250 salvations. In 2018, Grace and Peace led 396 to the Lord! Thank you Grace and Peace supporters for making it possible for us to do the Lord's work.

As a quick reminder, our banquet will be held Friday night, February 8, 2019, at 6:00 p.m., and dinner is complimentary again this year. We are limited to the first 300 people, so get your reservations in as soon as possible. All reservations are due by January 15th.

In the Dominican Republic, there are so many needs in all of our programs. If you are able to donate by the end of the year, we would be so grateful. For your convenience, you can donate by credit card on our website at www.gracepeacemission.com. Have a blessed holiday.

For His Kingdom,

William B. Rumble, Jr.
